Early Years Pupil Premium (EYPP) – Free practical workshops

There is another opportunity to attend an EYPP workshop. If you were unable to attend in the autumn term or have just started claiming EYPP funding this is an essential workshop to attend.

Who are they for?

The workshop is for the practitioner who has the lead responsibility for monitoring children's progress, improving quality and implementing developments.

What is the content?

The workshop will support providers in a very practical, hands-on way to:

- use own settings data and information (which you will need to bring with you) to identify needs and appropriate ways to spend EYPP funding,
- find training and intervention programmes to meet needs,
- show the difference it has made to outcomes for children and the quality of provision.

The session will also look at the latest Ofsted and self-evaluation expectations.

At the end of the 2 hour workshop you will be in a better position to analyse your own data, compare it to local and national trends, review your own organisations needs and development plans and have ideas for staff training that improves the outcomes of individual children - all in line with Ofsted expectations.

How do I book on?

Priority will be given to providers who did not attend the autumn EYPP workshops, are currently in receipt of EYPP funding and who are likely to be receiving funding in the coming term. Some providers will receive a personal invitation.

To book: email the appropriate office stating name of person (and their setting) wishing to attend.
