

Services for Young Children

Hampshire County Council Family Support Service Consultation

Hampshire County Council is asking for the views of service users, other stakeholders and members of the public, on a proposed new Family Support Service for families with children aged 0–19 years (or up to age 25 for young adults with learning difficulties and/or disabilities).

This would involve the development of a single service which would bring together the work of children's centres, Early Help Hubs (including Youth Support Services) and align with the Supporting Troubled Families Programme to provide a joined-up, whole-family service to those who have high levels of need but do not meet the threshold for statutory social care.

The consultation provides details regarding proposed changes and the proposals for the 0-19 age range service delivery.

For further details of consultation drop-in events and the feedback questionnaire to complete, visit the Children's Services consultation page: <http://www3.hants.gov.uk/childrens-services-consultation>

The consultation closes at midday, on Tuesday 3 May.
