Expansion plans: Opportunity to purchase modular space

The Director of Kingston Building Solutions Ltd (KBS) has let us know of two classroom buildings that are being off hired from a school at Church Crookham in the near future. Please find attached the plan layout for the building attached for your information. These were manufactured in 2009 and refurbished in 2014 before going out on hire to the school where they are currently situated. These buildings feature a 7.5 degree dual pitched roof with green felt finish, excellent condition, sold directly from site.

Removal date from the site between 28 March – 8 April 2016 (Dates to be confirmed)

To supply one used second-hand 6 bay modular accommodation approx. size 18m x 8.6m (SOLD AS SEEN)

To include existing steps and skirt to be transferred with the building to be left on site for other to adapt and fit.

£29,520.00

To supply labour, plant and materials to erect 6 bay modular accommodation: slab and jack foundations and left water-tight if delivered direct to site.

£3,960.00

No other allowances made or assumed.

Prices are subject to VAT at the current rate and assume our normal terms and conditions of sale.

Planning and other regulations will be the responsibility of the purchaser.

Please note this offer is not connected to Hampshire County Council and has been brought to your attention as it may be of interest to providers seeking premises expansion to deliver childcare. All negotiations are between the childcare provider and KBS direct. Please contact Philip Kingston to discuss options.
